During these uncertain times, our customers are relying on us to provide them with the protection they need to help safeguard their assets.

One simple way to achieve peace of mind is to enroll in East River Energy's annual Oil Tank Warranty Program to prevent financial loss in the event of an oil tank failure.

East River Energy is offering the **ProGuard Aboveground Oil Tank Clean-up and Replacement Program**, which provides both proactive tank replacement AND clean-up protection should there be a release from either the tank or associated lines.

✓ Pro-Active Tank Replacement: If the tank is in danger of leaking, it will be replaced BEFORE it has an accidental oil release
✓ Clean-Up Protection: Up to \$50,000 toward the cleanup from an accidental oil release
✓ Up to \$2,000 toward a Replacement Oil Tank (per Service Agreement)
✓ Lines Are Covered in Addition to the Oil Tank

✓ Low \$500 Deductible

The ProGuard Tank Warranty enrollment process is quick and easy. All you need to do is download this form, fill it out and mail it to our office with payment to be enrolled in the program.
